## WHAT OTHERS SAY

"What an incredible clinic... My smile muscles were well worked out, my heart is light, full of laughter and positive energy. My horse training satchel is full of new tools (and treats!) and my faith in the horse-human connection is fully restored..."  
Ranee, Sammamish, WA

"You are truly a gifted communicator. I would highly recommend your clinic to anyone who is seeking to understand the language of the horse and what is deeply important to them. Your clinic was a life changing experience on many levels..."  
Tina, Arlington, WA

**Find the intuitive bond between you and your horse.  
Create a connection to the very heart of the horse.**

Robin Gates is a long-time Certified Trainer of the "Carolyn Resnick Method". In this 2-day (and one evening) workshop, Robin teaches horses and humans how to dance together energetically. Working at liberty in a free environment, unrestrained, with the absence of tack, Robin teaches how a bond is created through companionship interactions that are naturally enjoyable to the horse. The bond is the key to a magical relationship with your horse, one that is based on trust and mutual respect. Her delivery is eloquent and the results are amazing.

**Camp out at Redbud Ranch, or enjoy nearby accommodations.**
